VOLUME 47

A PUBLICATION OF THE SENIOR CLASS

## LA POYNOR HIGH SCHOOL

Route 2, Box 108

LaRue, Texas 75770

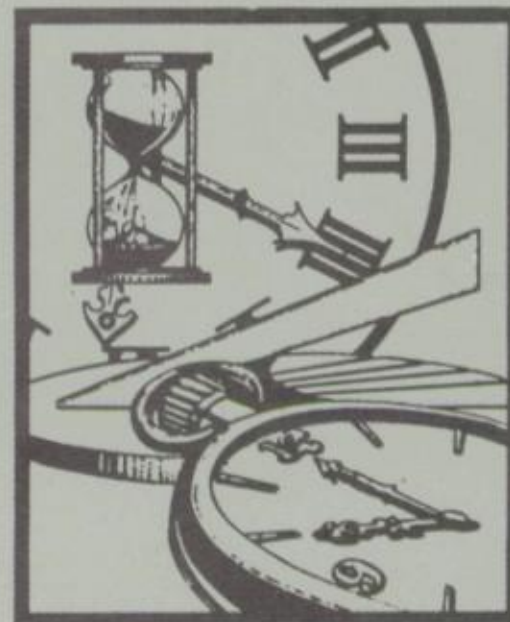

One  
Last Time . . .

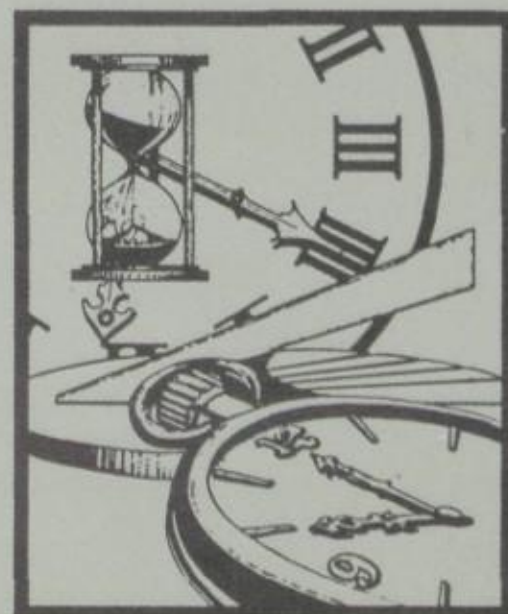

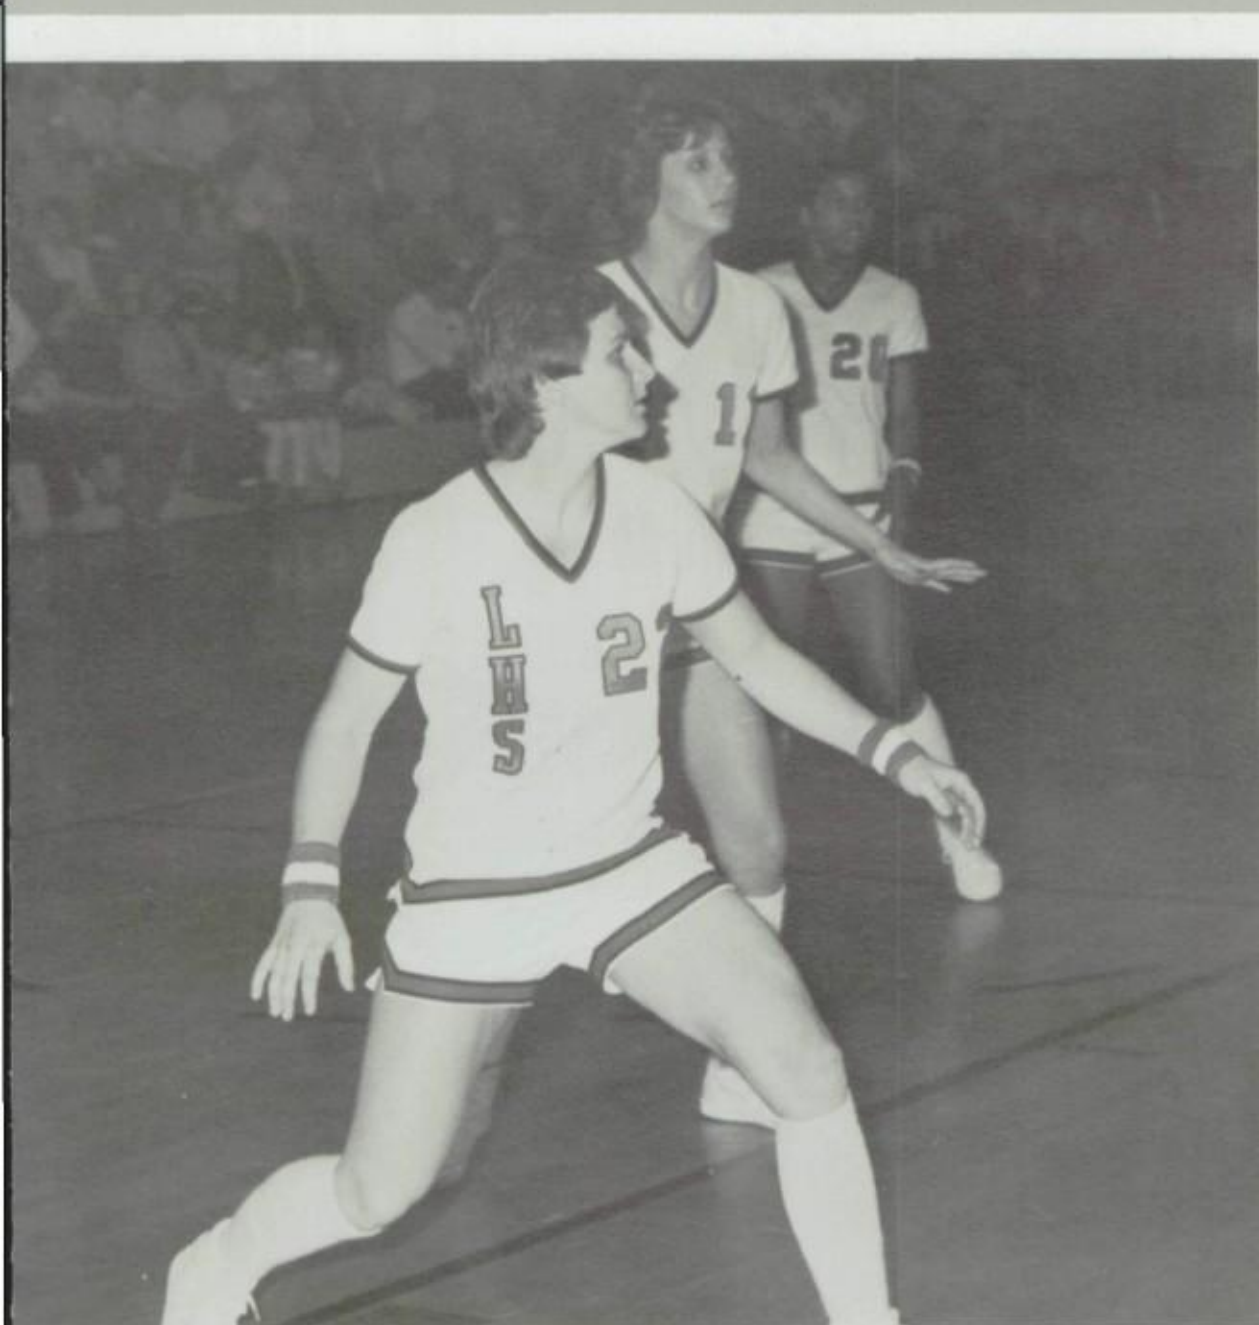

. . . Together

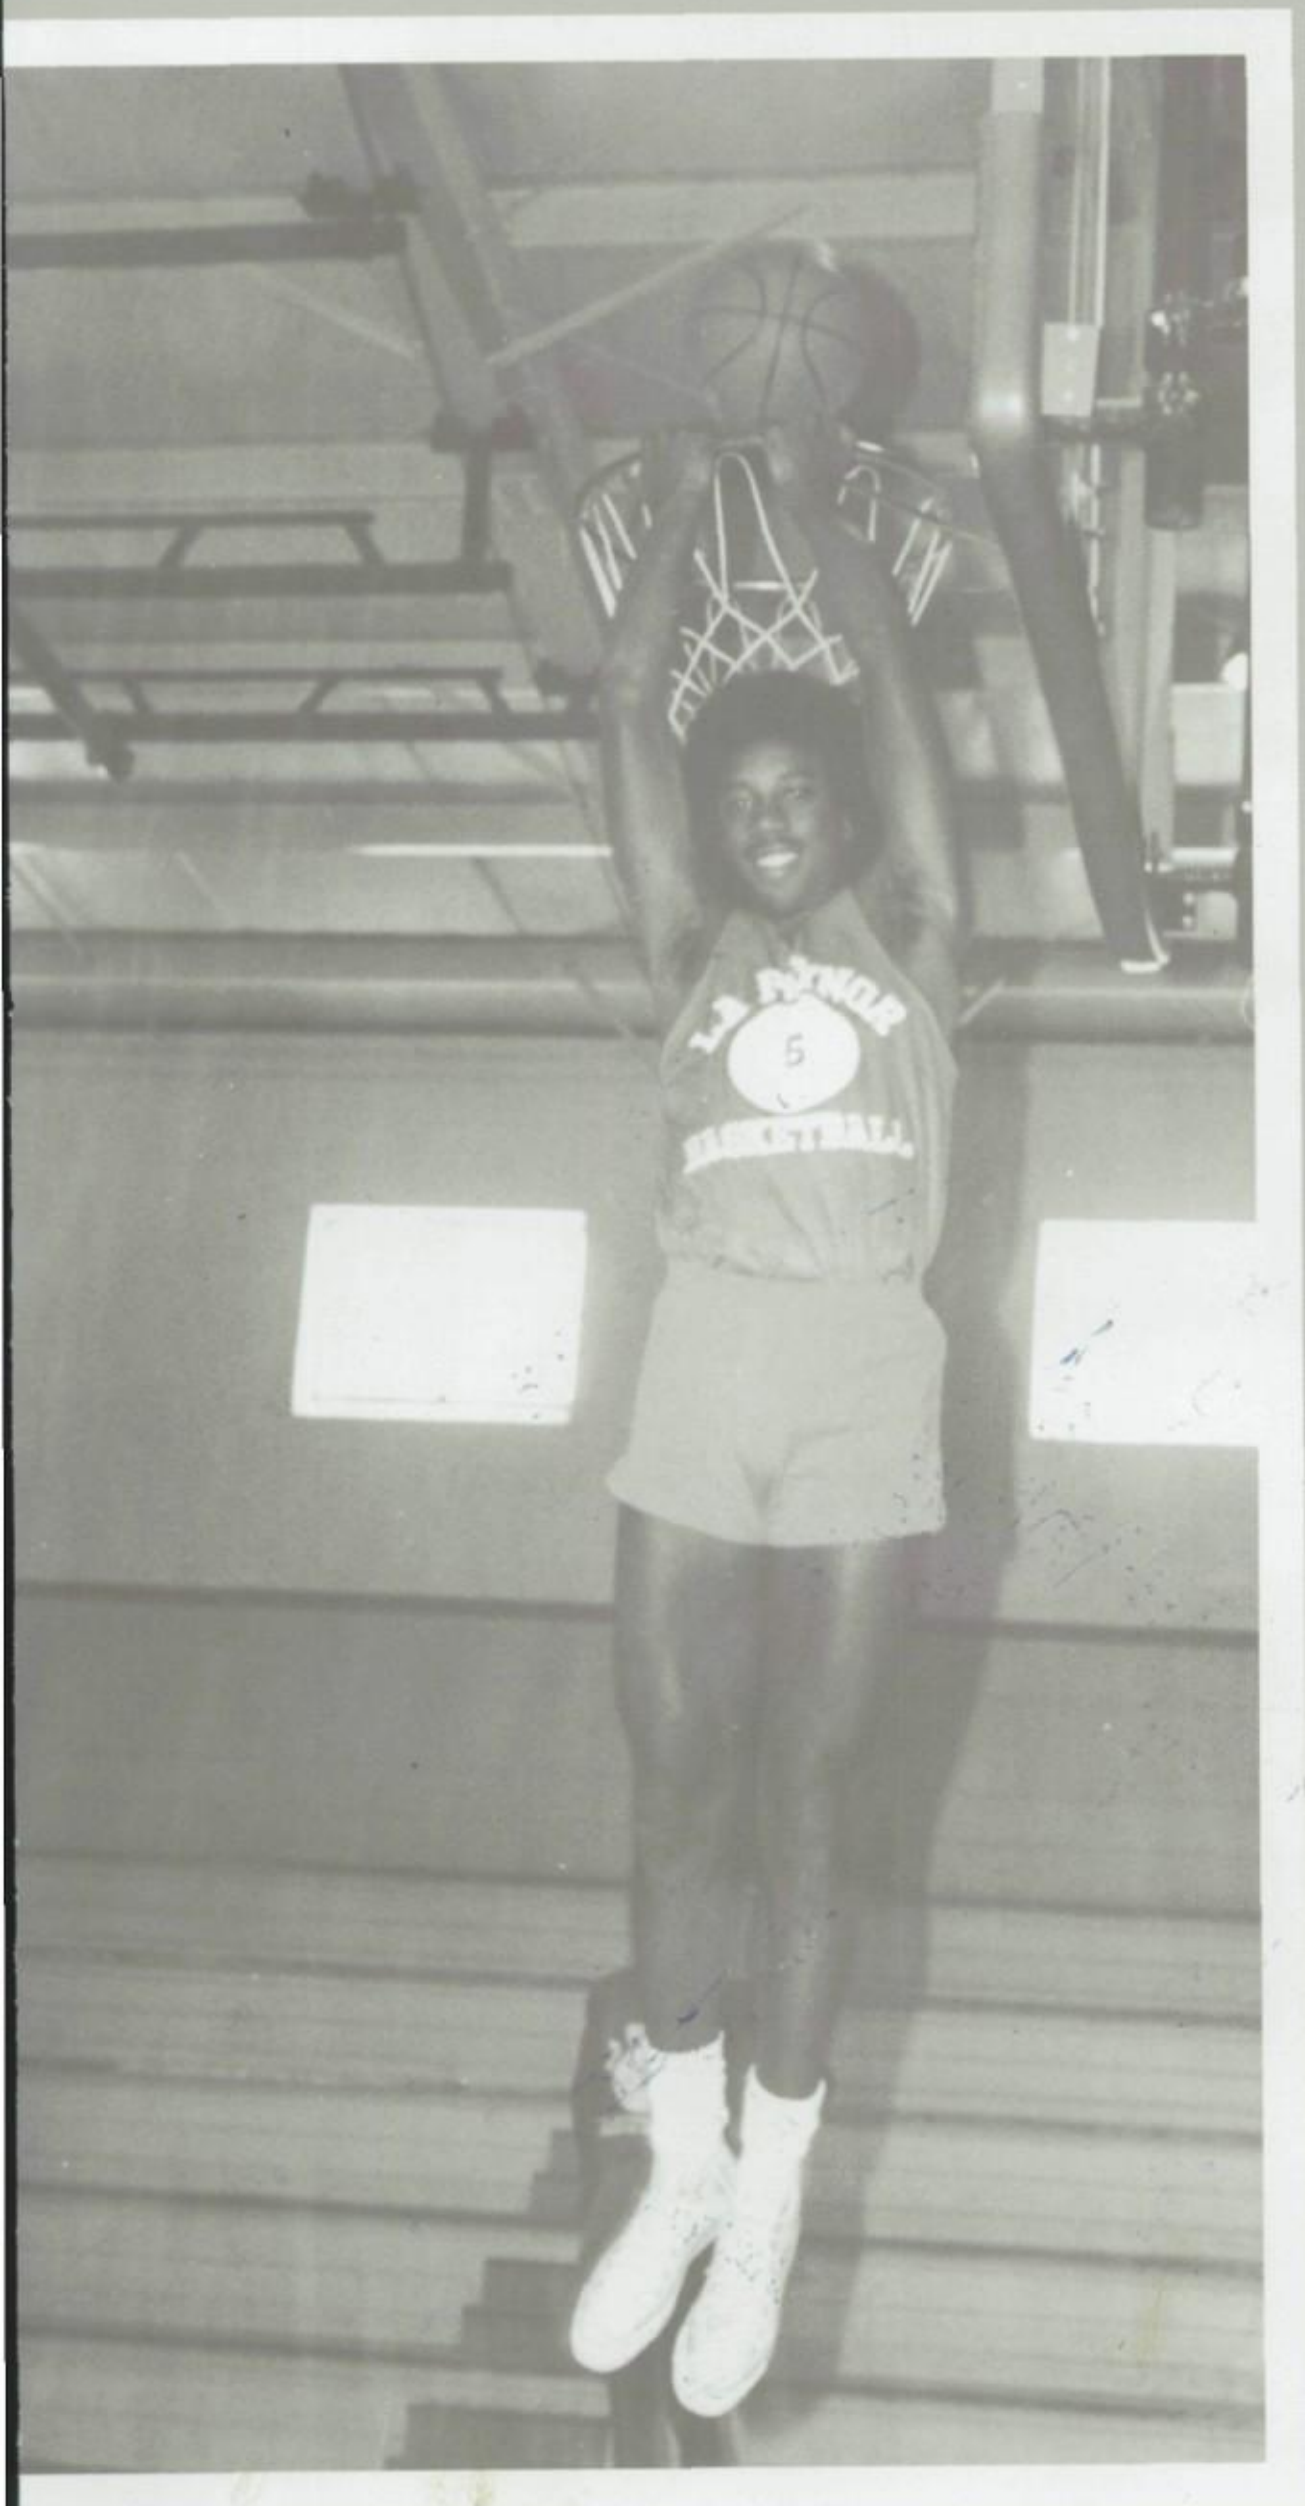

We've done it.  
It's complete now.  
No more chances to take,  
No more memories to make —  
At least not together.

We have come so far;  
As one, we've matured  
In the spirit of oneness,  
If not the spirit of sameness,  
Spirit to cherish forever.

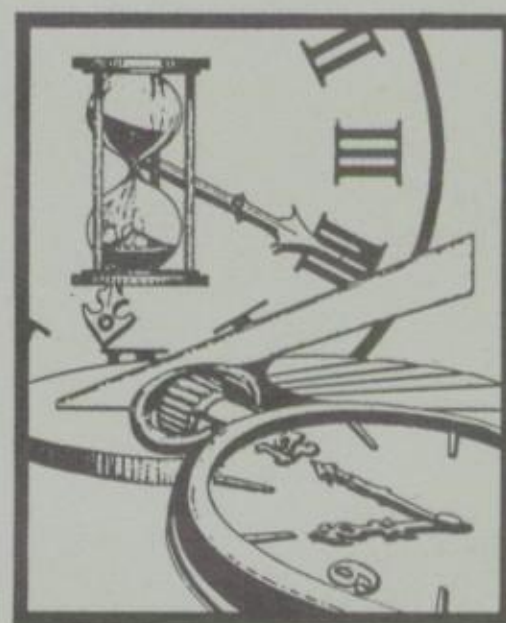

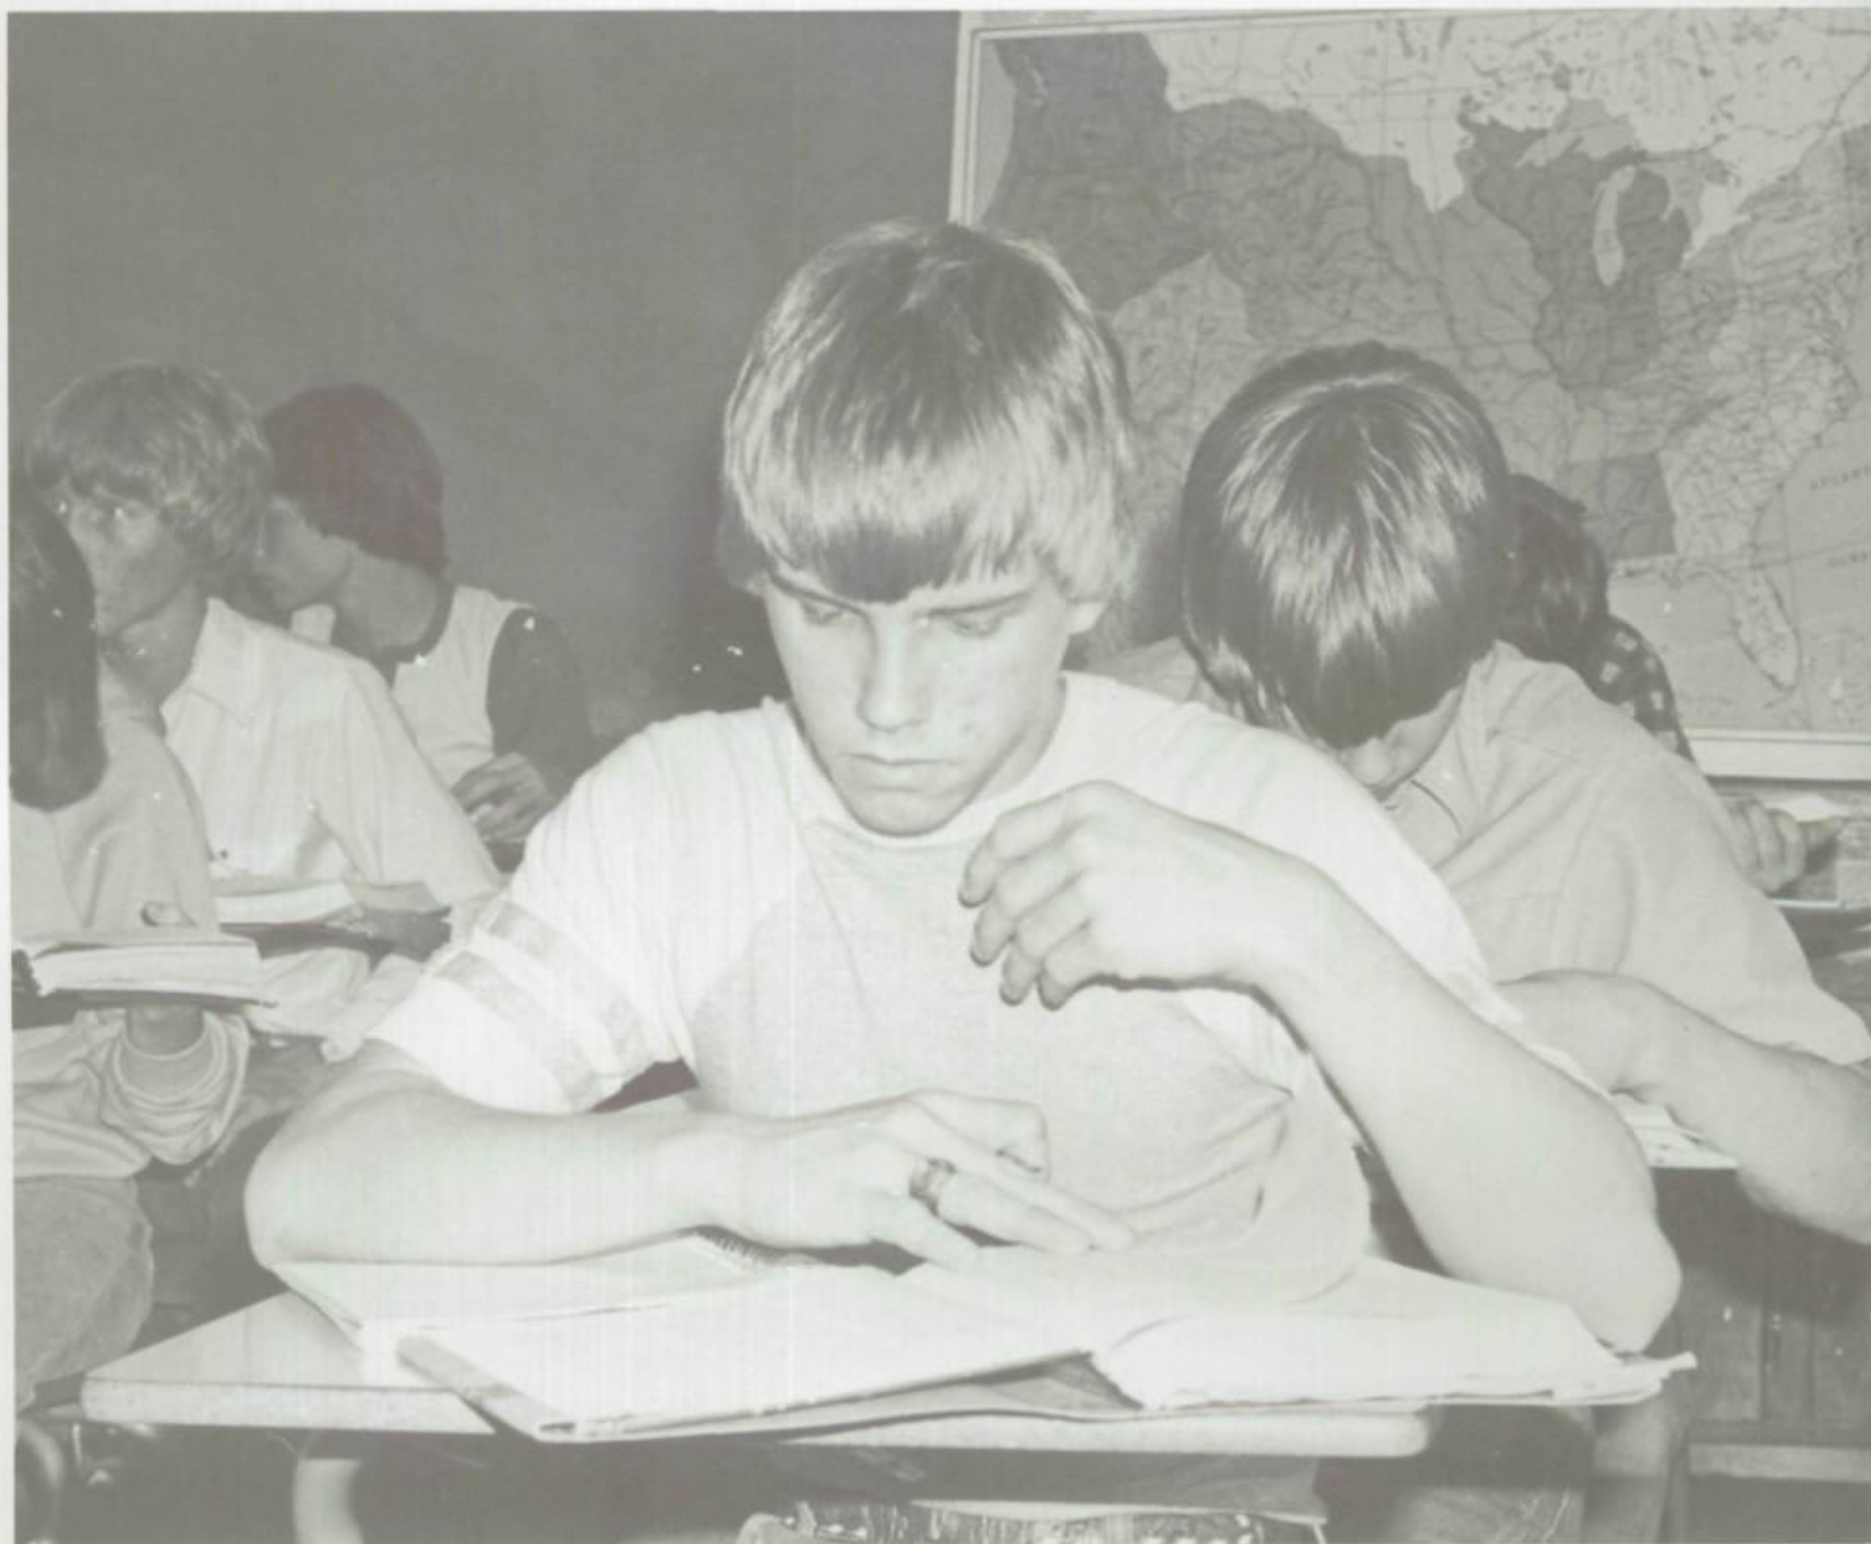

As time blurs  
 What is now certain,  
 Some faces will be lost.  
 But we will never forget  
 That we will be remembered.

For we laughed  
 Together  
 One last time.

Both success and failure  
Have been ours  
And we will continue  
To succeed,  
Continue to fail,  
But on our own,  
Never again together.

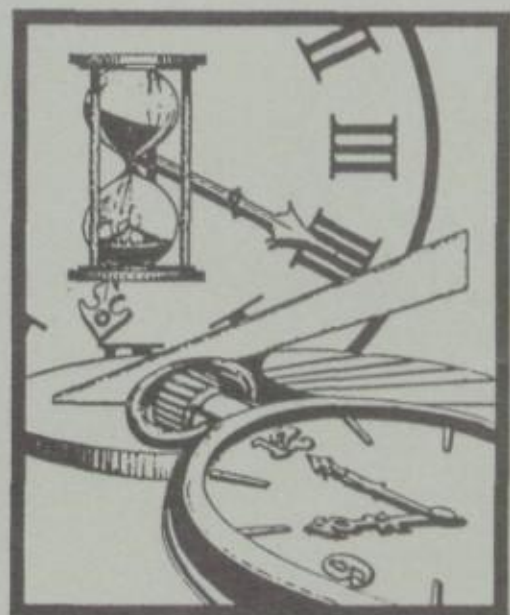

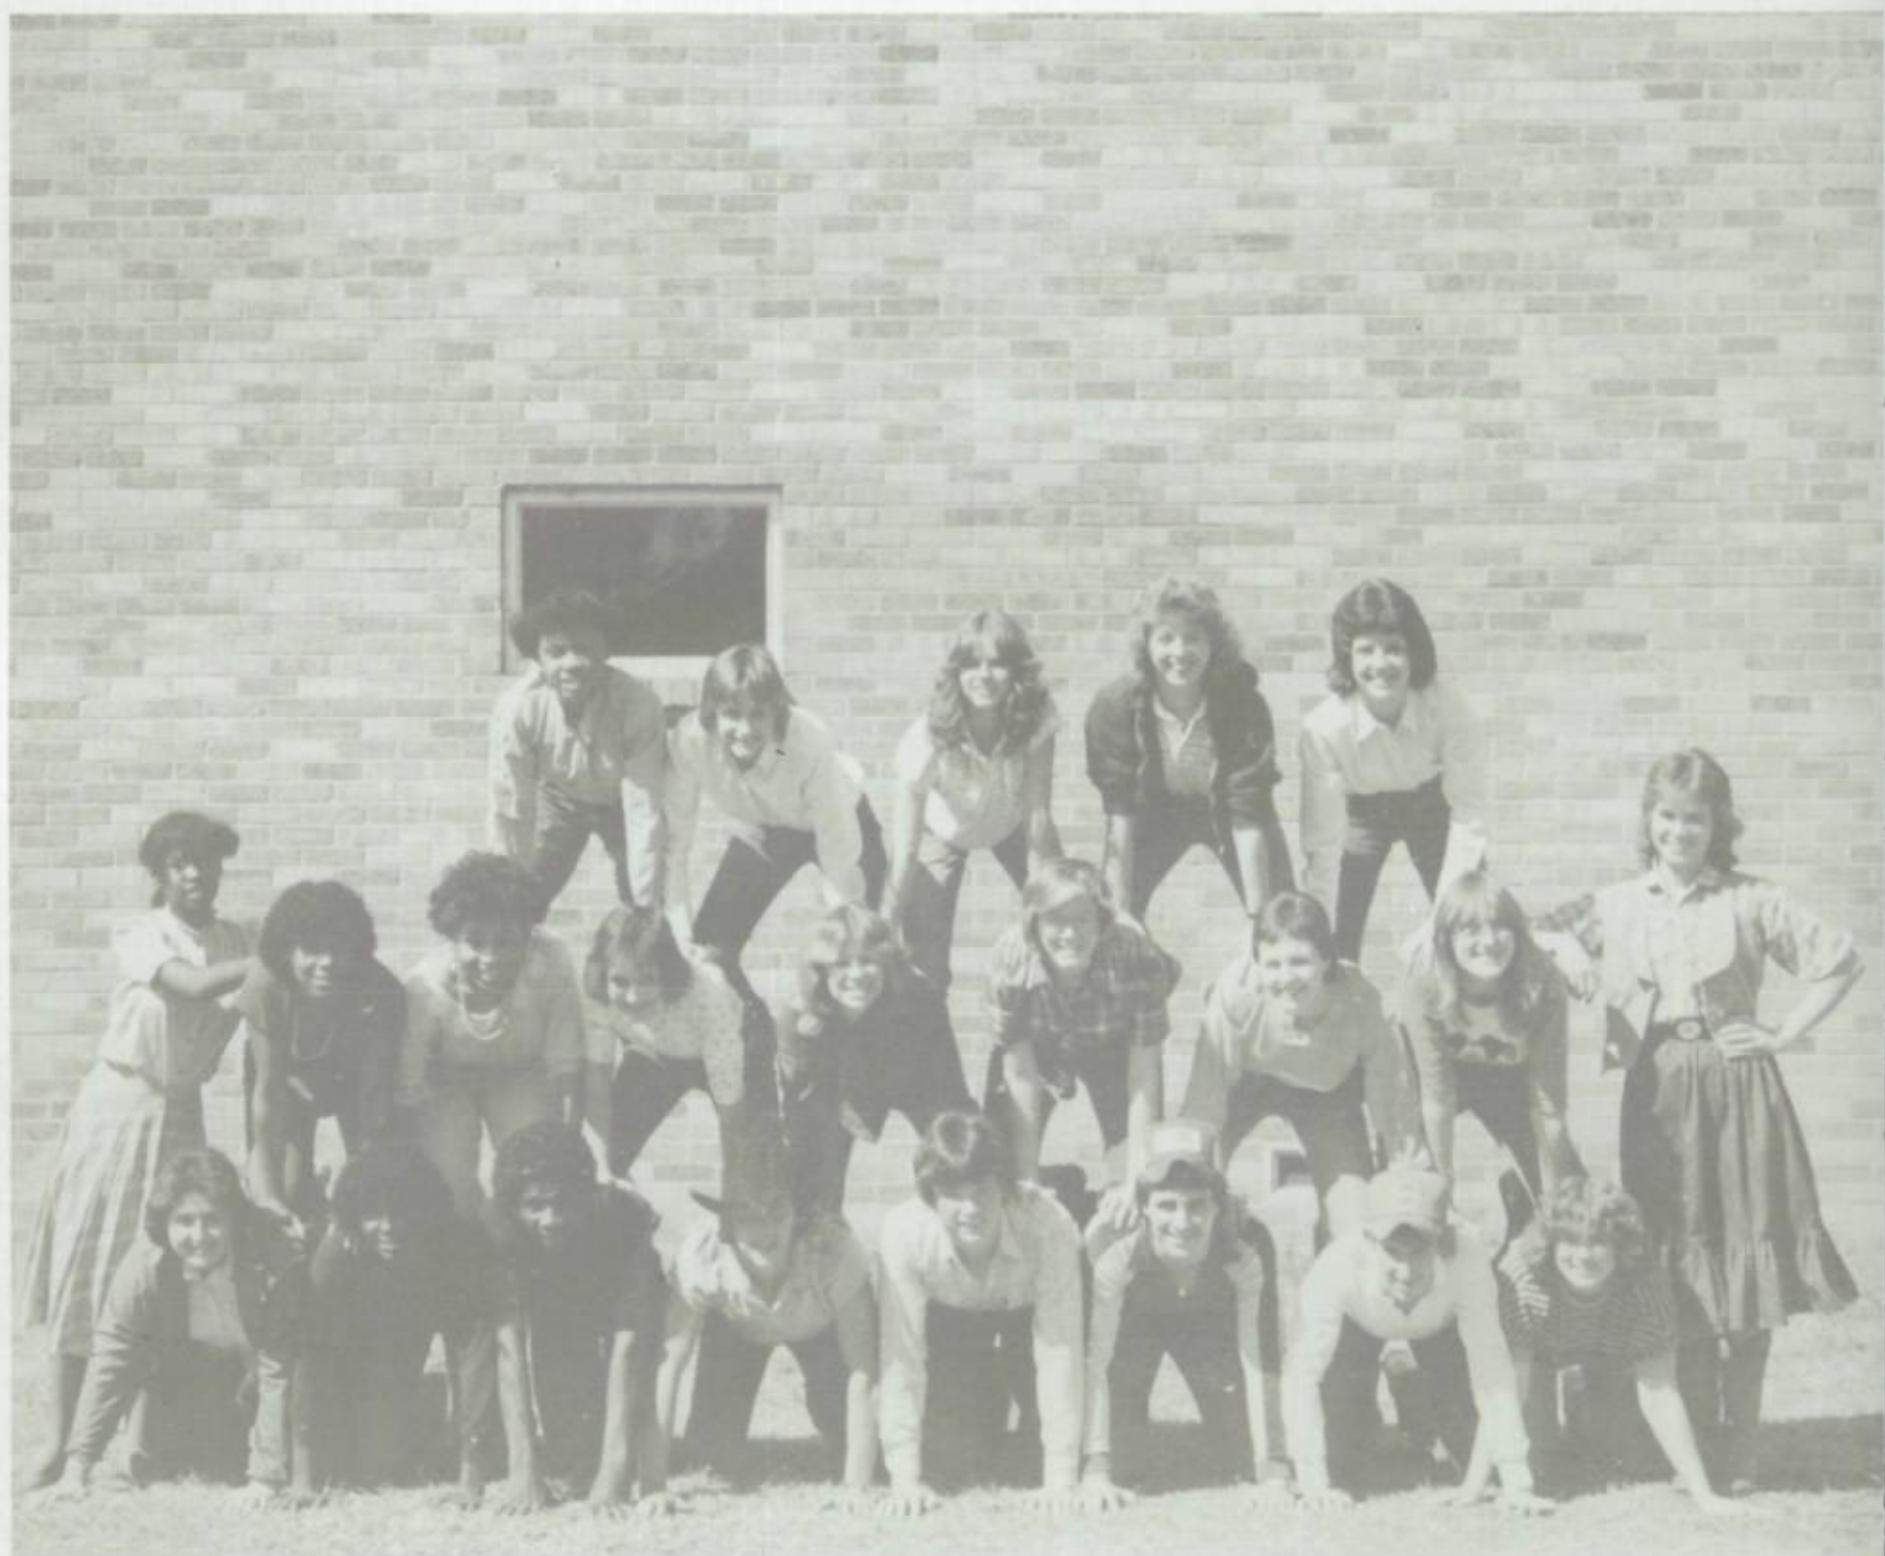

Tears;  
There is no turning back.  
Still, the feelings we shared —  
The time we all cared,  
Are forever locked  
in our minds.

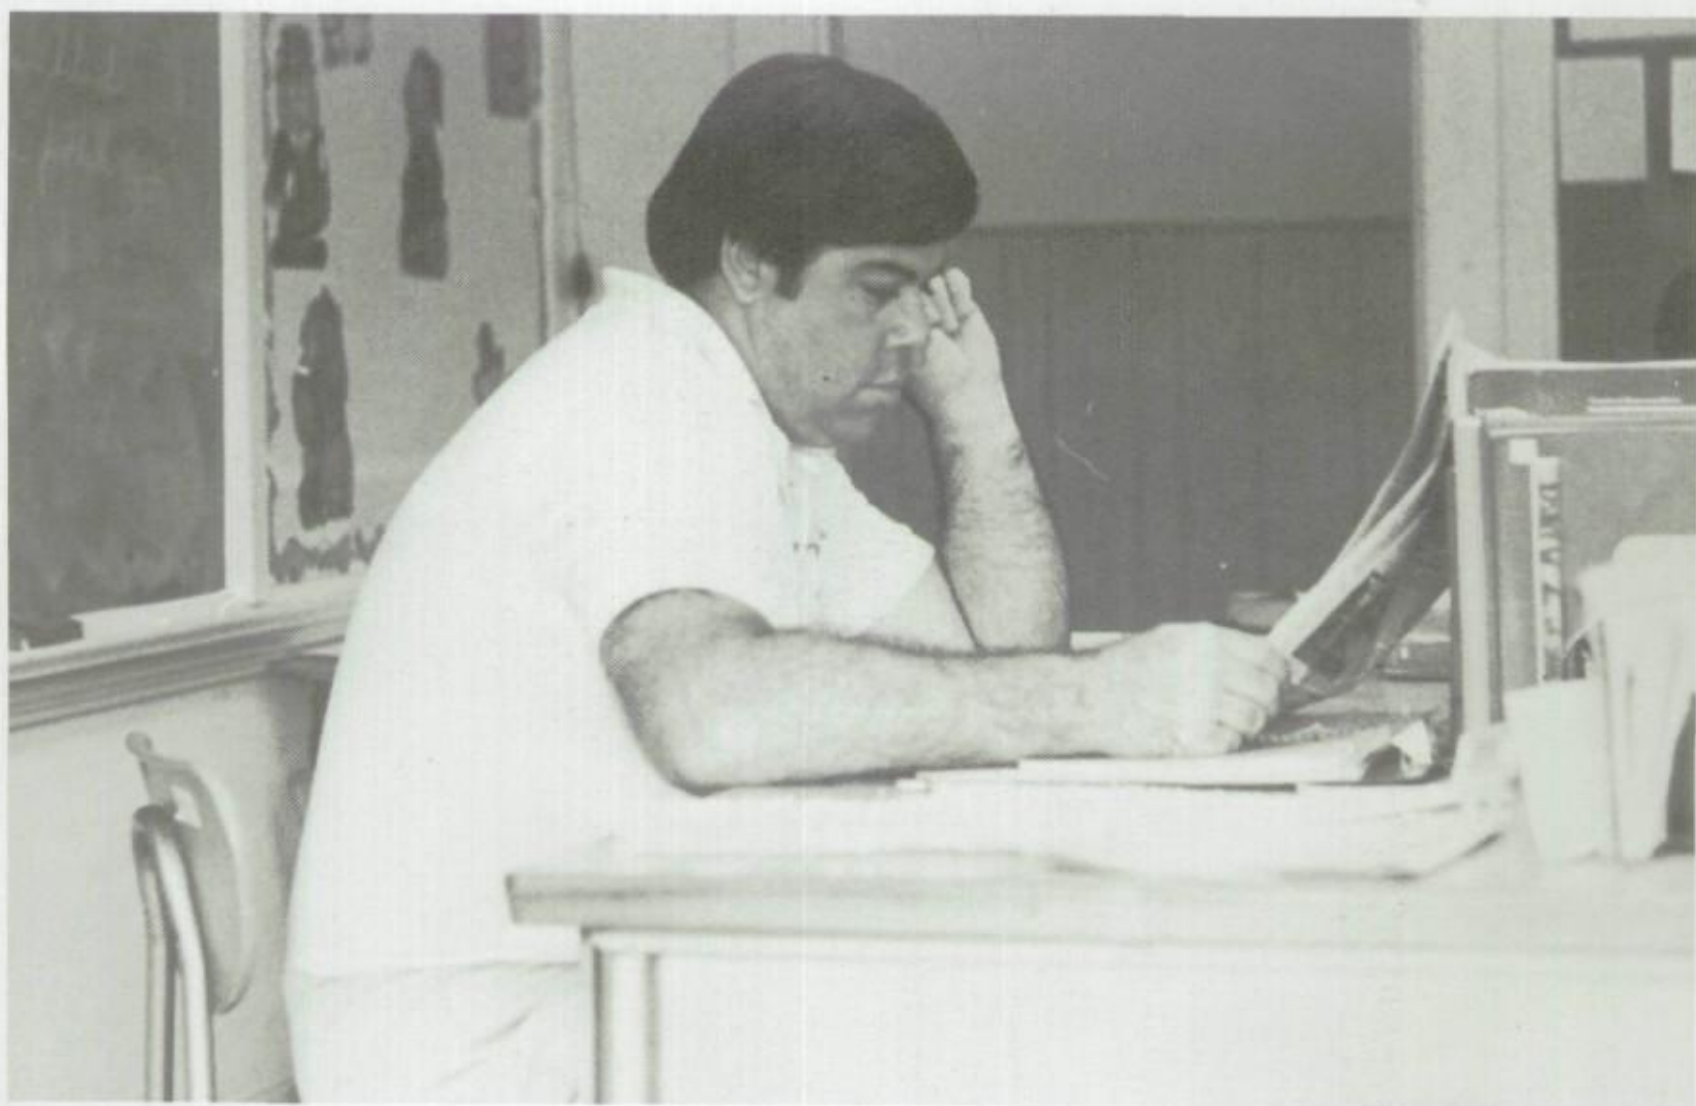

We are leaving a security  
We have known for so long  
With only the comfort  
Of knowing we will try . . .  
And we are saying Good-Bye  
One last time.

# DEDICATION

---

Because you have always gone the second mile to help advance the cause of LaPoynor School . . .

Because you have always helped our students, our teachers, and our community . . .

Because you have never complained about hard work or long hours . . .

Because for 38 years you have always been here when we needed you . . .

Because you have earned our gratitude, our love, and our respect . . .

It is both an honor and a privilege for us, the Senior Class of 1984, to dedicate our yearbook to you, our own Mr. Carl Stringfield.

## ANNUAL STAFF

In compiling this yearbook, we have tried to produce an annual which will be cherished in years to come for its memories of dear friends and happy school days.

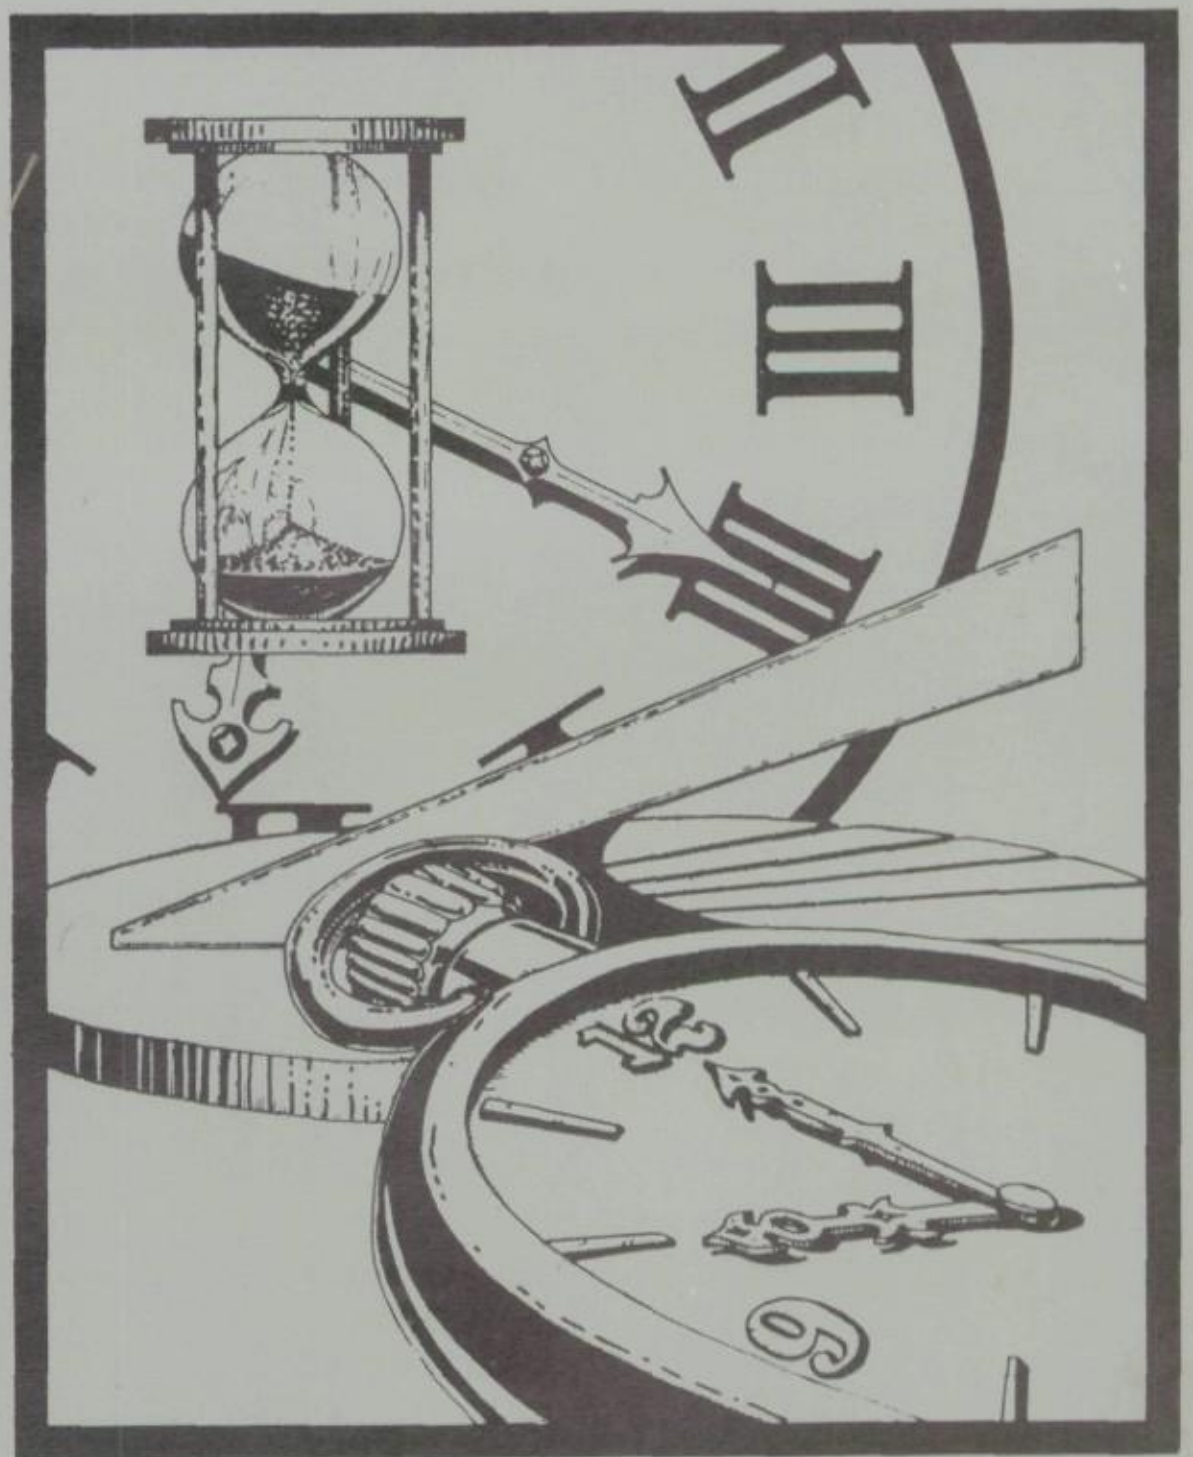

Since you have looked at our past, we hope you will go with us into the future realizing as we do that "gone are the yesterdays but the sun dawns on a new tomorrow."

# You can help.

Conserving electricity and all forms of energy not only helps save our nation's precious energy resources, it helps you and your family save money. Do your part ... close windows and doors when the heating or air conditioning unit is on ... don't "graze" with the refrigerator door open ... hot water takes energy — try a shorter shower ... turn off the TV or stereo when you're through with it. Work with your family to save energy now ... you'll help assure there will be enough for everyone when you start a family of your own.
